DIDIER MASSON DESTROYS GUNBOAT

AVIATOR DROPS BOMB FROM AERO- PLANE OVER GUAYMAS HARBOR

Airman Makes Three Flights Before He is Successful in Destroying the Mexican Federal Gunboat Tampico.

NOGALES, Ariz., July 28.—The federal gunboat Tampico was destroyed today by a bomb dropped from an aeroplane over Guaymas harbor, declares an official insurgent message. It was said that Aviator Didier Masson made three flights over the harbor before he succeeded in hitting the boat.

Governor Ignacio Pesqueira received word of the reported insurgent victory, while he was on the way north from Hermosillo. He was met at Nogales, Sonora, by Jose Maytorena, the Sonora governor who has been at Tucson, Ariz., leaving the affairs of state with Pesqueira. It was said that the two would confer regarding either elections or turning over the government to Maytorena.

Insurgents Advance.

At the Front, Above Guaymas, Mexico, July 28.—The insurgent investment of Guaymas was resumed today and a second column was to be pushed forward tonight under cover of darkness, reinforcing the extreme front which is composed of 2,000 men, half of them Yaquis. Federal gunboats in the harbor shelled insurgent positions all day.

Find Body of Missing Youth

UNDER BUSHES AT CHICAGO PARK

Police Find Bernie Holstein Lying Face Downward, His Hand Tied and a Bullet Hole in His Head.

Chicago, July 28.—The body of 14-year-old Bernie Holstein was found under a clump of bushes in Morgan Park today with a bullet hole in his head, police believe the boy was murdered after having been tortured. They were, however, unable to find any trace of the murderers.

The body was lying face downward, the hands tied behind the boy's back with his shirt and his legs tied with his suspenders. A few feet away were a dozen beer bottles and two newspapers dated July 21, the date on which the boy disappeared from his home.

The police take this to indicate that he was killed on that date. They now are investigating a postal card received by the boy's mother from Waukegan, Ill., signed "Bernie," reading "I am working here."

The post card, it was later learned, was sent to Mrs. Holstein by her 16-year-old son Samuel, the son told the police to night. He said his mother had been so worried about the younger boy's absence that he had gone to Waukegan and written the card to relieve her mind.

The police are searching for four negroes who, it is reported, were seen near Morgan Park last Tuesday afternoon.

A coroner's jury viewed the body and continued the inquest until Aug. 7.

"In my opinion the boy was killed somewhere else," said Dr. Springer, coroner's physician. "There was no bloodstain on the ground such as must have been where the shooting occurred."

MAYOR URGES MRS. YOUNG TO RECONSIDER RESIGNATION

Mayor Harrison Assures Her That He Will Make Every Effort to Restore Harmony in the Board.

Chicago, July 28.—Lines of battle for and against the retention of Mrs. Ella Flagg Young as superintendent of schools were formed today with the organization by the woman's club of the woman's organization of Chicago who are striving for the recall of Mrs. Young's resignation and with the statement of John C. Harding, member of the board of education that he will stand by her convictions in opposing Mrs. Young's present attitude as superintendent toward the school board. The board of education decision on Mrs. Young's resignation may rest with the seven new members whose appointment was under consideration by Mayor Harrison today.

Mayor Harrison today sent a letter to Mrs. Young urging her to reconsider her resignation as superintendent of the board of education.

He also assured her that he would make every effort to restore harmony in the board. At a special meeting of the board tomorrow the resignation will be acted on.

NO FRESH DEVELOPMENTS IN BALKAN SITUATION

Dispatch From Sofia States That Turkey Has Signified Readiness to Open Peace Negotiations With Bulgaria.

London, July 28.—Beyond a report from Sofia that Turkey has expressed readiness to open peace negotiations with Bulgaria there were no fresh developments in the Balkan situation. The porte has dispatched Osman Nizami Pasha, minister of public works to London, on a special mission, the object of which is not known. It is officially announced from Bucharest that the advance guard of the Roumanian army was halted close to Sofia on the east.

MULHALL HEARS LODGE'S DENIALS

Senator Lodge Declares He Never Knew or Heard of the Lobbyist

MORE LETTERS ARE READ

Correspondence Read Into Year 1911 When the House Be- came Democratic

SEEM TO OPPOSE LABOR LAWS

WASHINGTON, July 28.—Martin M. Mulhall sat on the witness stand before the senate lobby committee today and listened to another senator deny his statements. Senator Lodge, mentioned as one of many with whom the former "lobbyist" for the National association of Manufacturers had held political conferences, declared he didn't know the witness and never heard of him until the present investigation began.

Mulhall's correspondence read to day brought him into the year 1911 when the house became Democratic.

In many of the letters that year he spoke of interviews with Majority Leader Underwood, William B. Wilson, secretary of labor in President Wilson's cabinet, then chairman of the house labor committee, James T. Lloyd of the first Missouri district, chairman of the Democratic congressional committee and other prominent men. He wrote in the strain he used all through his letters to J. P. Bird the general manager of the association and other officials of having men appointed to committee, of preventing legislation, and of generally having much to do with the operations of government in Washington. He mentioned in several letters, with assurance, that he expected to have even greater success with the Democratic house than he had boasted he had in the days of Republican rule, but questioned by the committee, said he had been too optimistic in his prophecy. Mulhall took up his relations with Representative J. T. McDermott of Illinois and I. H. McMichael, one time chief of page of the house and confidential secretary to the representative. He identified what he said was a receipt for \$500 given him by McMichael for services in September and October 1911 and reiterated that McDermott borrowed money from him which he never paid back.

Speaks of "Secret Room."

Senator Reed became deeply interested in talk about a "secret room" which Mulhall said McDermott secured for his use on the lower floor of the west front of the capitol on the house side. He described that as quite a mysterious place and the committee will inspect it later.

Mulhall went to the length of making arrangements to hire a stenographer who he intended to place in this room. He wrote to Bird about the room and the stenographer.

"The employment of a stenographer and locating her in that room," said Bird in reply, "would place me in a doubtful position and one that I cannot accept, feeling that the association cannot afford to lay itself liable to the slightest suspicion."

Mulhall said he, McDermott and McMichael used the room and that he frequently made long distance telephone calls from the room and called up senators and members of the house. All through to day's letters Mulhall heard in opposition to legislation favoring labor. He swore that there was a labor lobby in Washington then in which Samuel Gompers, Frank Morrison and other officials of the American Federation of Labor were conspicuous figures. Questioned by Senator Nelson he said that the labor people were trying to do about what the manufacturers were trying to do only working in the opposite direction.

OLDEST PRACTICING PHYSICIAN IN U. S. ANSWERS FINAL CALL

Dr. W. T. Linn of Pana, 108 Years Old, Dies at His Home Near Oconee.

Pana, Ill., July 28.—Dr. W. T. Linn, 108 years old, the oldest man in Illinois and the oldest practicing physician in the United States, died at his home near Oconee, south of Pana, tonight. His death came without warning as he had complained of no illness.

He celebrated his one hundred and eighth anniversary with an address to a score of civil war veterans at his home on May 26th last. Dr. Linn was born in Ohio and had practiced medicine for more than seventy-five years. He leaves sixty-two grandchildren and fifty-three great grandchildren.

AFTER MARAUDERS.

Washington, July 28.—Reports to the state department today said that vigorous measures were being taken by Mexican federal soldiers dispatched to capture the marauders who sacked the American plantations in the vicinity of Frontera. Many of the bandits have been taken and killed and it is expected the plantations will be re-opened soon.

CAMPAIGN AGAINST CURRENCY BILL

SECRETARY McADOO MAKES CHARGE AGAINST NEW YORK BANKS

Believes Campaign Is Being Waged to Cause Apprehension and Unbusiness Among Two Per Cent Bonds in Effort to Defeat Currency Measure.

WASHINGTON, July 28.—Secretary McAdoo issued a statement to night flatly charging that the decline of government two per cent bonds to 95 1/2—a new low record—was due "almost wholly to what appears to be a campaign waged with every indication of concerted action on the part of a number of influential New York city banks to cause apprehension and uneasiness about these bonds in order to help them in their efforts to defeat the currency bill."

Banks throughout the country own almost entirely \$730,882,130 of the two per cents. Their market value to day was approximately \$30,000,000 less than when the banks bought them. Almost all the entire issue is used as security for national bank notes. At the present price, however, the discrepancy between the market value and the issues of notes against the bonds is covered by what is known as the five per cent redemption fund, deposited by the banks with the treasury to care for retirement of national bank notes. In his statement Secretary McAdoo stated the two per cents were worth par—notwithstanding their decline in the New York market and continued:

"The idea seems to be that the country banks which hold about two-thirds of the two per cent bonds and use them as the basis for their circulating notes may be induced to unite with the New York city banks in opposition to the bill if they can be made to believe that the proposed currency measure is going to injure these bonds and cause losses to the banks. This is, of course, unfounded."

Should Not Sell at Sacrifice.

"Meantime it is 'only for any bank to sell government 2's at a sacrifice because of any apprehended legislation adverse to government bonds as no such legislation will result."

Continuing his statement the secretary said that not only and nothing occurred to impair the value of the two per cent bonds, but that the amendment already adopted by the banking and currency committee of the house enhances their intrinsic worth—first, because all holders of two per cent bonds are given a privilege, not now possessed of exchanging the 2's for 3's without the circulation rights at the rate of five per cent per annum of their holdings and second, at the end of twenty years the government will pay at par and interest all two per cent bonds which at that time remain outstanding.

The secretary considers as ridiculous the New York story that if the currency bill shall pass and government deposits are put in the federal reserve banks, the 2 per cent bonds now used to secure deposits will be thrown on the market at the rate of five per cent per annum. In proof of this view the secretary points out only \$13,900,000 of the 2's out of a total of \$730,882,130.

In conclusion the secretary said that "there is not going to be any financial trouble and that the large crops now in prospect are going to be moved without difficulty and that the powers of the department will be exercised in their greatest amplitude for the protection of the business interests of the country."

FIND STICKS OF DYNAMITE IN PRISON CELL AT SING SING

Discovery Shows That Plots of Rebellious Prisoners Are Not Yet Over.

Ossining, N. Y., July 28.—Close watch was kept on the convicts in Sing Sing today to prevent another revolt. The discovery of two sticks of dynamite in a cell last night indicated that the plots of the rebellious prisoners to destroy property as a protest against prison conditions were not yet over.

POLICY VIEWS ARE WIDELY DIVERGENT

President and Ambassador Have Very Different Ideas About Mexico

AMBASSADOR TO RESIGN?

Embassy in Mexico City Will be Conducted for the Present by Its First Secretary

MAY URGE HUERTA TO RESIGN

WASHINGTON, July 28.—Ambassador Henry Lane Wilson, summoned from Mexico City to inform the Washington administration of conditions in the rebellion torn republic, talked for an hour with President Wilson and Secretary Bryan to day submitting chiefly a recommendation that the United States use its influence to establish the Huerta regime. No policy was evolved—at least, none was announced—but it became known that the president's ideas and those of Ambassador Wilson as to the course to be pursued are so radically different that the administrative officials interpreted the day's developments as forecasting the acceptance of Ambassador Wilson's resignation. President Wilson and the ambassador regard the future of the Mexican situation it was learned, from opposite few points. The president is concerned over the morality of any policy adopted by the United States and the effect on other Latin American countries and disinclined to strengthen a government that came into power through the questionable events incident to Madeo's assassination.

Ambassador Wilson, on the other hand, is disposed to look at the situation, not from past events, but with the practical idea of the future. He believes it is the business of governments to look to the future and his suggestions have been in the direction of extending recognition to the Huerta government if it did certain things to conserve American interests. The inadvisability from a diplomatic standpoint of maintaining in Mexico City a representative who would not be sympathetic with the purposes of the Wilson administration in Washington is said to have practically convinced the president that the ambassador in Mexico City had better be conducted for the present by Nelson O'Shaughnessy, its first secretary, reputed here as efficient and experienced. The postponement of an ambassador is contingent upon the establishment of a satisfactory government at Mexico City. Meanwhile the president advised Ambassador Wilson to take a rest for a few days as he has been laboring under a nervous strain.

May Not Need Mediation.

While the chief officers of the American government were debating the facts the situation to day it became known that a movement was on foot that might eventually spread the United States the necessity of offering mediation or any other kind of interference in Mexican affairs, upon which the national pride of Mexico is sensitive. The plan contemplates a repetition of the process by which Diaz abdicated in favor of a provisional president acceptable to both factions in the revolt against him. Prominent Mexicans are interested in the idea and have informed Secretary Bryan that if the American government would refrain from any policy of mediation, at least for the present, they felt confident of bringing about an understanding between the warring forces looking toward a peaceful solution of political difficulties.

Provisional President Huerta it is suggested under the peace plan, might be persuaded by his friends that with the desperate financial condition of Mexico his resignation would be an act of patriotism and self denial. He would be asked to name a minister of foreign relations a post now vacant, so that through the constitutional process of succession the minister would succeed him as provisional president. That the revolutionary party in the north led by Carranza has informally been sounded on the proposition that several men have been mentioned for the provisional presidency who would be acceptable not only to the Huerta administration, but to the constitutionalists as well, but the naming of a cabinet by the new provisional president and the convoking a general election would follow and it is hoped by those who are already working on the plan that the United States would recognize the new government, so that Mexico's credit abroad would rise and make possible the negotiations of a loan.

WOMEN PRESENT PETITION

London, July 28.—While King George was inspecting his guard of honor at the railway station at Chichester Sussex to day, two suffragettes rushed forward and tried to present a petition to him. The police seized the women. Afterwards, they were liberated at the request of the king.

COMMITTEE EXTENDS DEBATE TWO WEEKS

CURRENCY BILL WILL THEN GO TO DEMOCRATIC HOUSE CAUCUS

The Entire Fight of the So-called Insurgent Amendments Will be Made in the House Caucus—Chairman Glass Decides Against Open Door Policy.

WASHINGTON, July 28.—Democratic members of the house banking and currency committee today agreed to allow themselves two weeks more of wrangling over the administration currency bill. Two weeks from today a Democratic house caucus will receive the measure in as finished conditions as the committee members can arrive at. After three hours of argument at which various plans for disposing of the measure were discussed, the Democratic committee members voted to authorize the chairman to "ask for a caucus of the party to be called on Aug. 21 to act upon such a report on the pending currency bill as will then be made."

The supporters of the administration bill, having failed in weeks of discussion and argument to win over three or four opponents of the measure among the Democrats of the committee, have decided to proceed without them and allow those dissatisfied with the measure to carry their fight to the house caucus. This will throw into the caucus the entire fight over the so-called insurgent amendments providing for "cotton, corn and wheat currency" as framed by Representative Henry of Texas and Representative Ragsdale of South Carolina. These amendments with the other insurgent propositions will undoubtedly be voted down by the conference of the committee members by a vote of about 11 to 3. This vote would not be sufficient to overcome the vote of the insurgent Democrats and the minority members in the full committee, therefore the measure will be taken directly to the caucus.

Today's entire session of the caucus was spent in a discussion of whether the proceedings of the meetings should be made public. After considerable argument the conference rejected a proposition to throw open the doors of the committee room and allow the debate to be made public. The vote was 6 to 6 and Chairman Glass cast the deciding vote against the open door policy. It was then voted to enjoin secrecy as to the proceedings on every member of the conference.

President Wilson and Chairman Glass of the house committee and Chairman Owen of the senate committee believe that they will be able to get the measure through both house and senate with the essentials practically unchanged even though considerable opposition will be met at every step and considerable delay encountered.

REFUSES CHINA'S REQUEST

Peking, July 28.—The diplomatic corps has refused the Chinese government's request for permission to search foreign ships and foreign residences and to court martial foreigners causing dissensions in rebel quarters.

Senator Kenyon said many gypsum factories were located in Fort Dodge, the home of the late Iowa senator. Because Senator Dolliver led a gallant fight against wool schedule of the Payne-Aldrich bill he declared, Chairman Aldrich cut the duty to about 25 per cent.

"I am sorry to see the wrong perpetuated in this bill," concluded Senator Kenyon.

Senator Lodge was on his feet in an instance denying as a member of the finance committee in 1909 that he knew of any such motive. Senator Kenyon replied that he did not say the committee itself acted from revenge.

"I always heard the Payne-Aldrich bill referred to as plunder, but we hear that it was for punishment," added Senator James from the Democratic side.

Senator Cummins' amendment, which placed the duty 20 per cent instead of 10 per cent, was defeated by the Democrats.

PAINTER FALLS TO DEATH.

DIVISION IN RANKS OF G. O. P. SENATORS

Progressive Republicans Will Not Support Smoot's Substitute

WILL HOLD CONFERENCE

Progressives Will Hold Series of Conferences to Perfect Substi- tute for Woolen Tariff

FOR LA FOLLETTE'S SUBSTITUTE

WASHINGTON, July 28.—A division in the ranks of Republican senators over the tariff revision fight became apparent today when nearly a dozen progressive Republicans began a series of conferences to perfect substitute schedules that will be offered to the tariff bill under the leadership of Senators LaFollette and Cummins.

The progressive Republican move has grown out of the belief of leading senators identified with that faction that they would be unable to support Senator Smoot's substitute for the woolen tariff.

The Smoot substitute was prepared some time ago and introduced at the time the Democratic tariff bill came back from the finance committee. The progressive Republicans have practically agreed to center their fight about the LaFollette substitute in the hope that they can carry the balance of the Republican party with them and possibly win some Democrats away from President Wilson's free wool plan. Progress on the tariff was slow today.

Prepared speeches were made by Senators Townsend and Warren, Republicans and short assaults occurred throughout the afternoon upon specific items which the Republicans held to be too radical reductions from existing law.

No Break on Floor of Senate.

The Progressive Republican forces so far have shown no disposition on the floor of the senate to break with their Republican associates except in a few votes where they joined the Democrats in support of lower duties.

The conferences which began today, however, are expected to solidify the progressive element and to bring about a new alignment of the Republican forces.

Senator LaFollette's cotton and wool substitutes and Senator Cummins' metal substitute were under consideration in the conference today and probably will be supported by the Progressives.

It is expected that a substitute sugar tariff similar to that which Senator Bristow succeeded in getting through the senate in the last session of congress will have the progressive strength behind it.

The senate had completed the consideration of rates on chemicals, drugs, oils and like products today and had gotten started in the earth-enware and glassware schedule when adjournment came tonight. Set speeches are to be made during the week by Senators Gronna, Thornton and others, but it is expected that the detailed consideration of the bill will be before the senate almost continuously from now on.

Protests Against Reduction.

Protests against the proposed reduction to ten per cent ad valorem of the tariff gypsum, used in making fine grades of plaster and for fertilizer. Senator Cummins charged that the duty had been cut to the quick in the Payne-Aldrich bill by former Senator Aldrich, chairman of the finance committee, in retaliation against the late Senator Dolliver.

Senator Kenyon said many gypsum factories were located in Fort Dodge, the home of the late Iowa senator. Because Senator Dolliver led a gallant fight against wool schedule of the Payne-Aldrich bill he declared, Chairman Aldrich cut the duty to about 25 per cent.

"I am sorry to see the wrong perpetuated in this bill," concluded Senator Kenyon.

Senator Lodge was on his feet in an instance denying as a member of the finance committee in 1909 that he knew of any such motive. Senator Kenyon replied that he did not say the committee itself acted from revenge.

"I always heard the Payne-Aldrich bill referred to as plunder, but we hear that it was for punishment," added Senator James from the Democratic side.

Senator Cummins' amendment, which placed the duty 20 per cent instead of 10 per cent, was defeated by the Democrats.

GOVERNOR FINALLY GIVES APPOINTMENTS

(Continued from Page One.)

Charles E. Jennings, named on the pardon board, a cousin of William J. Bryan, and his appointment is said to have been made at the latter's request.

H. F. Tanner, Paris, who was offered the chairmanship of the good roads commission with \$3,000 salary, rejected the offer because it would necessitate giving up his law practice.

Appointments Agreed Upon.
The following additional appointments also agreed upon:

District fish and game wardens—Dennis F. McCarthy, Chicago; Alva M. Calvin, Sterling; J. M. Entwistle, Havana.

Deputy fish and game wardens—Patrick Kane, Charleston; Charles Clark, Quincy; John M. Engle, Galena; Thomas Sweeney, Carlinville; James Payne, Woodlawn; Thomas W. Doherty, Galesburg; P. H. Gallagher, James McNabb, Carrollton; Adolph Kasner, Pittsfield; H. E. McLaren, Rushville.

Assistant state fire marshals—Thomas J. Walsh, Chicago; William J. Hannan, Chicago; Patrick Gannon, Chicago.

Member West Chicago park commission—Edward Mullin, Chicago; assistant state veterinarian surgeon; R. T. White, Annawan.

Deputy warden, Joliet penitentiary—William Walsh.

A flood of telegrams came to the governor's office, some from disappointed office seekers, others that certain appointments be deferred. Governor Dunne spent the afternoon resting at the mansion. He declined to be disturbed by long distance calls. Arthur F. Nelson appointed chief factory inspector, is one of the officials of the Chicago Federation of Labor, who were hailed before the bar of the house recently and pilloried because of the federations resolutions charging that the defeat of the initiative and referendum resolution was due to the Lorimer influence. Lorimer having been present in the house when the resolution lost by one vote.

HEARINGS ON FLOOD CONTROL PROJECTS.

Washington, D. C., July 28.—Plans have been completed by the house rivers and harbors committee for exhaustive hearings upon bills proposing systems for controlling flood waters of the Mississippi and Ohio valleys. The hearings are scheduled to begin tomorrow, when Director Caldwell of the Memphis Levee Control board will appear. Army engineers and officers of the National Rivers and Harbors congress will also outline the various water control projects. Extent of financial aid which should be given by the government in building possible dikes, levees and reserve reservoirs will be considered by the committee with a view to recommending a government appropriation policy next winter.

Blending vs. Mixing

Most any child CAN mix coffee, but to bring out the very best that's in coffee one must be able to BLEND certain coffees together so that each coffee will retain its own characteristic quality, yet combine smoothly and richly with the other coffees; each adding its definite contribution of strength, flavor and favor to the whole. We claim that ROBERTS' coffees are perfectly blended with OLD CROP coffees—coffees properly CURED and aged. The proof of the quality of Roberts' coffee is only to be found by comparison. We invite comparison.

CITY COUNCIL HELD TWO SESSIONS MONDAY

**ADOPTED RESOLUTIONS LOOK-
ING TOWARD STATE AID
ROADS.**

**Believe County Board Should Take
Speedy Action—Concrete Walk
Will Be Laid on North Prairie
Street Almost Entire Length—
City Attorney Has Prepared Street
Car Franchise for Early Consider-
ation.**

The city council met Monday morning in regular session at 10 o'clock and at 11 o'clock met again in order to confer with Frank J. Hehl with reference to action relating to the Tice good roads bill. At this session a resolution was adopted asking the county board to take speedy action as possible in order to insure Morgan county getting its share of the state aid road fund, and another resolution favoring the construction of a state aid road between Springfield and Jacksonville. At the earlier session the business transacted was largely routine in character, the most interesting matter referred to was the proposed street railway franchise.

When Mayor Davis called the council to order the roll call showed that all members were present. The minutes were read and other formalities were gone through with.

Objects to Bad Odors.

Commissioner Newman reported that there had been offensive odors in the east portion of town again and that he thought the city attorney should notify the Jacksonville Packing company and the Jacksonville Reduction company that if any more complaints were made that arrests would follow and the matter would be tested out in court.

Commissioner Brennan stated repair which has been going on with the Smith-Vaillie pump at the pumping station has been completed and that the pump is now in good working order.

In response to an inquiry from Commissioner Engel it was stated by Commissioner Newman that it was the intention very soon to have a concrete walk laid on a portion of Hooker street where the walk is now in bad condition. An ordinance to cover this improvement is now being prepared.

An ordinance was read providing for a concrete walk on the west side of North Prairie street extending from West State street to Independence avenue. Mayor Davis said that it was the original intention to have this walk run only to the Wabash, but that it seemed to him desirable to extend it to Independence avenue, and he had done so after talking with several of the property holders.

Street Car Franchise Talk.

Commissioner Newman asked about the street car franchise and Mayor Davis told him that City Attorney Thompson had completed a franchise, but that he himself had not gone over it as yet. The mayor said that he would have copies made and put in the hands of the commissioners so that each one could familiarize himself with the provisions before going into a caucus. The intention is to agree as speedily as possible on a franchise measure for the street railway and then to put the question up to the people. The council has been somewhat of the opinion that it would be better to agree with the traction company on an ordinance before the first of the year rather than submit the whole matter to the state utilities commission as will have to be done after Jan. 1.

After a little other minor discussion the council adjourned to meet again at 11 o'clock for the consideration of what Mr. Hehl had to present with reference to good roads.

Must Act Quickly.

Mr. Hehl addressed the council in a wholly informal way and said that he simply wanted to give his understanding of the Tice good roads bill and said further that on account of certain provisions in the law there is little doubt but that the measure will be tested out in the supreme court. Mr. Hehl is of the opinion that if this county is to obtain a share in the good roads state aid fund that it will be necessary not only to take speedy action, but to take united action. He pointed out the fact that it will be distinctly to the advantage of Jacksonville to have the main highway across Illinois running from Springfield to Jacksonville rather than from the capital city to Beardstown. There are some arguments in favor of the latter route, notably the free bridge at Beardstown across the Illinois river, but he is of the opinion that if Morgan, Greene, Scott and Pike counties unite in an effort to have the highway routed by Jacksonville that something may be accomplished in this line.

The resolutions which Mr. Hehl presented after his explanatory remarks were as follows and were unanimously adopted.

Two Resolutions Adopted.

Resolved, by the city council of Jacksonville, Ill., That it hereby requests the board of county commissioners of Morgan county, Ill., to take all necessary steps, as soon as reasonably may be, to secure for Morgan county, for the purpose of constructing state aid roads, all state aid possible to be had from the state road and bridge fund and to levy sufficient road and bridge tax to equal the allotment made to Morgan county from the state road and bridge fund for the purpose of constructing state aid roads in Morgan county.

Resolved, by the City Council of Jacksonville, Ill., That it favors the construction as soon as possible of a state aid road between Springfield and Jacksonville and requests the co-operation of the city council of Springfield, Ill., and of all interested

in such a road in securing the early construction of said road.

Some points which Mr. Hehl brought out with reference to the new law are mentioned herewith:

"In Morgan county now there are 13 road districts and 3 commissioners in each district. The roads of the county are in charge of these commissioners except that the county board has control of bridges which cost more than \$100.

"A state aid road is one for which the county and state pay jointly and which after it is established is maintained at the cost of the state. This year there will be available for the construction of state aid roads \$300,000, out of a special appropriation made by the last legislature. It is possible that this may be augmented somewhat by money from the automobile license fund but nobody seems to be certain as to the exact provision made in this regard.

State Highway Commission.

"By the new law a state highway commission is named, each of the three commissioners receiving a salary of \$3,500. A highway engineer is to receive a salary of \$4,000 and an assistant engineer a salary of \$2,500. In each county the county board is to appoint a superintendent of highways and such official is to be named after a competitive examination. The appointment must have the approval of the state highway commission. The superintendent is appointed for a term of six years but can be removed from office in case of incompetency. The superintendent is to prepare the plans for all bridges to be built inside the county and is to furnish plans to highway commissioners and to give them advice. He is to inspect all highways and bridges within the county and to make his reports to the state highway commission. To all intents and purposes he acts as the agent of the state highway commission and it is very evident that the purpose of the law is to bring the highways of the state under one central authority.

County Superintendent's Duties.

While the road commissioners are retained by this law they are robbed of much of their authority and can not proceed in any improvement costing more than \$200 until the same has been approved by the county superintendent of roads. No county can receive a share in the fund for state aid roads until after it has appointed a superintendent for the county. The roads in each county chosen for state aid must be approved by the highway commission and must connect principal towns and markets. After a county has designated the roads for which it prefers state aid the state highway commission can re-arrange plans in order to conform with plans in adjacent counties. The provision of the law is such that Cook county can not secure more than 25 per cent of the fund. After a county's apportionment of the state road fund has been made known the county must provide for an equal sum within six months of time or lose its allotment. The beginning of proceedings to secure a portion of the state aid fund rests wholly with the county board.

Jacksonville in Road District.

"As before stated the number of road commissioners remains the same but there is a provision that any road district may by a vote of the people within the district reduce the number of commissioners from 3 to 1. Under the new law municipalities will be part of the road districts and Jacksonville will have to be formed into a road district by itself or made a part of another district. All roads under the new law must be constructed forty feet wide and it is possible by the consent of adjacent land owners to reduce the width of roads now in use to forty feet. If this were done it would bring a lot of land into cultivation which is now used simply for roads.

"The purpose of the law is to have the same general policy apply all over the state in the matter of road betterments rather than to have a different policy and plan followed in every county. The provisions of the law are such that 32 per cent of the cost of roads will be paid by the cities and 68 per cent by the farmers. If, for example, Morgan county should secure a share of \$10,000 from the state aid fund the county would be compelled to raise a like sum. Of this \$10,000 fund \$3,200 would be paid by the cities and \$6,800 by the farmers. There are 315,000 acres of tillable land in this county and improvement to the extent mentioned would be at a cost of 21 cents an acre. Or figuring another way the one-fifth of a bushel of wheat per acre on the wheat acreage would pay this cost.

Some Cost Figures.

"It is estimated that 132 miles of roads in Morgan county would be the total of roads which could be improved under the present law and figuring that these roads could be built at an expenditure of \$5,000 per mile would mean that the whole work could be done at a cost of 70c an acre on all the land of Morgan county, or that the cost spread over ten years would be 7c an acre. If you choose to figure that the cost will be \$10,000 a mile then the total cost for each acre in the county would be 14c a year for a period of ten years."

The commissioners then looked over maps along with Mr. Hehl as he pointed out the way the question appealed to him and the desirability for taking some speedy and hearty action.

All the officials were in favor of the resolutions which Mr. Hehl presented with the statement that they were identical with those passed by the Chamber of Commerce and with those which other cities in adjoining counties will be asked to pass. These resolutions were unanimously adopted.

DRIVES HORSE TO DEATH HE STEALS FOR RIDE.

**Fifteen-Year-Old Percy McKean in
Custody For Causing Loss of Animal
Belonging to James Allen.**

Percy McKean, aged 15, of 611 E. College street, was arrested Monday afternoon by Chief Davis for stealing and driving to death a horse belonging to James Allen of Sandusky street. The boy took the horse and buggy from the corner of West State and South Fayette streets, where it was tied Sunday evening about 7:30, drove over Morgan, South West, Morton and South Main as far south as Michigan. He went east on Michigan to Goltra and north on Goltra to Superior, where the horse fell dead. A shaft of the buggy was broken when young McKean made the turn at this corner when the horse fell down.

James Allen, the owner of the horse, reported its loss to the police about 8:30. At 10 o'clock the animal was noticed and reported by Edward Lonergan of East Superior avenue. The boy did not return home until this afternoon, when his mother notified the chief of his arrival and he was taken to the station. He said that he had no intention of stealing the horse, but merely took it for a ride about town. The theft seems to be the result of careless mischief instead of criminal intent, although it is probable that McKean will be sent to the reform school at Pontiac.

WILL TALK ABOUT GOOD ROADS.

A meeting has been called by A. C. Rice and others interested in the matter for land owners in the east part of the county to gather in Alexander next Thursday evening to talk about the Tice good roads bill in its relation to Morgan county. Frank Hehl will be present and give a talk on the bill. All farmers and land owners in the east part of the county are urged to attend this meeting. It is desirable that the property owners of this county come to a full understanding of the meaning of the Tice bill.

NORTONVILLE VISITORS.

CUBS TAKE FARCE GAME FROM BRAVES

CHICAGO WINS FROM BOSTON BY 9 TO 4 SCORE.

Loose Fielding by the Boston Team is Responsible For the One Sided Score—Tyler is Given Poor Support But the Cubs Gather Eleven Hits.

Chicago, July 28.—Chicago and Boston gave a farcical exhibition of baseball to day and at the finish the score stood 9 to 4 in favor of the locals. The fielding behind Tyler, who was on the mound for the visitors, was responsible for the large score of the home club.

UHLAN BREAKS TRACK AND STATE RECORD

MAKES NEW RECORDS AT OPENING OF GRAND CIRCUIT AT GRAND RAPIDS.

Billings' Gelding Lowers Comstock Track Record Established by Dudie Archdale and Also State Record Stepped by Hamburg Belle Four Years Ago.

Grand Rapids, Mich., July 28.—Before a great crowd and with ideal weather conditions prevailing the inauguration to day of Grand Rapids' third annual Grand Circuit race meeting was featured by the breaking of two records.

Foremost in interest of these was the lowering by Uhlman, driven by Trainer Doc Tanner of all marks for Michigan tracks. Billings' great black gelding was started to lower Comstock track trotting record of 2:06 1-4, established by Dudie Archdale two years ago. He not only did this with ease, but also bettered by three seconds the state record, 2:02 3-4, stepped by Hamburg Belle at Detroit four years ago. Uhlman's time was 1:59 3-4.

In the third and deciding heat of the 2:05 pace, the Gift Line stake, Longworth B. lowered the season's race record of 2:02 1-2.

Summaries.

SOME OFF-SIDE CHUTES

Wisconsin boxing promoters are beginning to get busy in arranging for bouts to be contested under the new law enacted in that state. Insofar as it is possible pugs will be side-tracked and the right of way given to those adepts of fistina who are known to the sporting world as boxers, pure and simple. Packey McFarland will in a few weeks go to Senator Clark's farm, near Milwaukee, and there demonstrate the Queensberry angle of the game in a nine round elimination race against three opponents. The Chicago pride is scheduled for nearly a score of matches in the Badger state against the top-notchers, and these contests he expects to turn into training stunts for a go against Willie Ritchie for the championship. McFarland has put the champion in the nine hole, and he latter must soon meet to Chicago on step aside.

The Cotton States league closed the 1913 season Sunday with Jackson, Miss., in the saddle. The champions won 71 and lost 24 games. Pensacola, Fla., finished second and was nosed out of the championship when a bunch of protested were decided against them.

The auto tour to San Francisco of the Hoosier manufacturers was marred Sunday by a fatal accident which occurred ten miles from Sacramento. J. S. Apple, a correspondent from Frisco was crushed beneath one of the escort cars when a wheelman attempted to glide away from an approaching motorcycle.

Earl Moore, when he was recently sold by Philadelphia to St. Louis was unable to meet the salary terms offered by Mrs. Britton, owner of the Cardinals. In the shuffling of the cards Manager Evers of the Cubs succeeded in signing the man with the slow, hopping and twisting ball.

Rube Marquard is again striving his utmost to outdo his record of last year. Sunday's game against the Cardinals was his ninth consecutive victory this season.

Manager Joe Cantillon of the Minneapolis team is beginning to hunger for some of those high prices the big fellows are paying for American association material. Foxy Joe has broken into print with the statement that he has in Ralph Comstock as nifty a spit ball artist as Big Moose Ed Walsh ever was in his best days. Go to it, Joseph—Comiskey is motoring from Chicago to the Flour City, and the Old Roman in these days is not overlooking any of the gold bricks that are heaved in his path.

The Jinx has again landed on Jimmy Archer. Sunday's game he received a third smash in the same spot on his throwing hand. The last injury, however, will not prolong his absence from the lineup.

Callahan plans another shake-up in the Sox lineup. His latest plan will put Chappell in left, Shano Collins in center and big Jack Fournier in right. The Haverhill plumber's apprentice is quite sweet on Fournier and he has just cause to be. The French-Canuck is as natural a hitter as there is in the game at present. All he lacks is the knack of placing his hits, and if Bill Gleason and Smiling Jimmy fall in their efforts to teach him the trick all the rest of the baseball pedagogues would side-track the opportunity.

Leach Cross and Matty Baldwin will hook up this evening in the arena at Vernon, Cal. If on the level, the go should be one of action over the entire route. Both are at about evens in the art of self-defense, and both carry sleep-producers in either mitt.

Saturday next will see inaugurated the red letter racing meet of the 1913 season. Saratoga opens for a twenty-days' session, in which the best horses on the running turf in the United States and Canada will compete. These races at the Spa in former years were the barometer which called back from the continent society of the two countries, and the events always were the very best on the racing calendar.

That White Sox-Giants world's tour is beginning to look from this distance much like a barn storming affair so far as the Giants end of it is concerned. On Saturday a poll of McGraw's champions was taken at St. Louis, and the following players have positively agreed to make the circle: Mathewson, Demaree, Fromme, Witte, Hartley, Merkle, Doyle, McCormick, Grant and Burns. Chief Meyers is not certain whether he can make the trip and Jim Thorpe has not fully made up his mind. Both redskins, however, are desirous to accompany the party.

The "Noisy Nine," formerly of Taylorstown, Pa., now of Morgantown, W. Va., a team famous throughout the United States centennial year, 1876, will hold a reunion of all its players in 1915 at the Panama-Pacific exposition. In connection with their reunion trip they will issue a challenge to all old timers on the way to the coast. The oldest player is 62 and the youngest 58. This is written as a bunch to Major Dalton, Hugh Barr and "Pete" Broadwell, who were some players in the days of the "Noisy Nine." There are other old-timers in Jacksonville who might be rounded up to do battle with the Moonshiners from West Virginia in their travels toward the land of the setting sun. The likely spouters, old-tops, will overlook your age limit if you will meet the cocky invaders and trounce them good and plenty.

A STRONG REFERENCE.
A young man recently applied for
a position with a large printing
house, and not having a letter of
reference, offered his bank book.
It showed a regularity of entries of
deposit. It was a very strong recom-
mendation, indicating character and
persistence, which finally secured for
him a good position.

THE WORLD'S LATEST FINANCIAL AND MARKET NEWS
IMPROVEMENT IN STOCK
MARKET CONTINUES
IMPROVED TONE CONTINUES
BUT IN DIMINISHED VOLUME

Leading Issues Rose to a Higher
Level But Trading Was of Profes-
sional Nature—Early Activity Was
at Expense of the Short Interest.

(By Associated Press)
New York, July 28.—The improve-
ment in stocks which signaled last
week's operations continued today
but in diminished volume. Such
leaders as Amalgamated Copper,
United States Steel, Union Pacific
and Reading, all rose to a higher
level. Trading, however, was of the
same professional nature. Hones
with Boston connections were promi-
nent on the buying side of copper.

Today's early activity, which gave
way to extreme dullness later, was
largely at the expense of the short
interest, which was driven to retire-
ment of commitments, particularly
in copper, steel and Union Pacific.
Amalgamated was strongest of active
issues, its 2 point rise coinciding
with another advance in the metals
to a fraction over fifteen cents.

In the dividend which was gen-
erally stimulated by the activity of
the eastern railway managers in
withdrawing their grievances with
the trainmen, the southwestern
group developed sudden activity with
gains of 1 to 3 points while the Hill
issues added to last Saturday's
gains. Canadian Pacific, "So",
Reading and Erie were also well to
the fore.

To Stop Scaling of Psoriasis

This Troublesome Skin Disease Promptly Checked by a very Simple Attention.

Classed with eczema, psoriasis has been considered one of the most obstinate of skin diseases. A lady in Lexington, Ky., says that before she began using S. S. S. the disease broke out at frequent intervals where she thought it cured. But by getting her blood under control by the influence of S. S. S. psoriasis entirely disappeared. Like nearly all skin diseases, psoriasis is primarily due to impaired blood.

Try the New Way of Curing Corns

Easy As One, Two, Three: No Fuss, No Pain, by Using "GETS-IT."

Just take two seconds to put a little "GETS-IT" on that corn. That corn is "done for" as sure as the sun rises. The corn shrivels up, vanishes. That's the surprise you get by using this new plan corn cure. There's nothing to stick to the stocking or sock; your corn pains stop. You've saved the bother of applying plasters that make the corn bulge out from the core. You've saved salves that eat into the healthy flesh and "pull"; no more fussing with bandages. You don't have to help by picking and dragging out your corns, or cutting with knives or razors. "GETS-IT" is safe, painless, stops pain, never hurts healthy flesh. It is guaranteed. Try it on warts, calluses and bunions, too.

"GETS-IT" is sold at all druggists at 25 cents a bottle, or sent direct by E. Lawrence & Co., Chicago.

Sold in Jacksonville by Armstrong's drug store and J. A. Obermeyer.

SIR SEMUS McMANUS SINGES EAGLES' WINGS

FRANKLIN HURLER AT NO TIME DURING GAME IN DANGER.

Wheeler of the Locals Was Off His Feed and Does Not do Himself Justice—A Big and Orderly Crowd Turns Out—Franklin's Backstop a Promising Youngster.

One James McManus, who for the sake of offering a good headline, the Journal has baptised Semus, in honor of the great Irish wit and bard, when he temporarily left Franklin Sunday morning placed his heart in cold storage. This young and smiling athlete actually laughed in our faces as he went through his nine innings task at the opening of the Nichols park diamond Sunday afternoon, and mowed down our Eagle team of baseball aspirants. He was ably abetted in his deadly work by one Loneragan, who received his pesky drops and tantalizing fade-aways. The game was a close and keenly contested one. The score, 3 to 2, does not begin to tell the story. In the first of the fourth inning the local backstop palpably blocked a Franklin runner on the third base runway, and not only blocked the visitor, but caught him by both shoulders and retarded his progress homeward. In a jiffy afterwards the runner was tagged out and another visitor was trapped between second and third and a double play was allowed. In all baseball law the runner blocked on the home path was entitled to his goal, and had the umpire so ordered there is no telling what the final count would have been. Aside from this slight omission the game was all that could be desired, and if the turn out upon this first occasion is a fair barometer, the local boys are in for a prosperous season. The seating capacity will have to be extended; otherwise the new plant is all that could be asked, the diamond for a freshly turned sod was fast, and but few bubbles were charged against either infield.

Appended is the box score. If the reader is unable to decipher the code a kindly helpmeet or a promising future mother-in-law will disentangle the skein:

Denny to McCollier. Wild pitch—McManus. Time—1:30. Umpire—Abell.

Bunts, Bingles and Wallops. When the game ended the C. & A. track was not unlike a line of Coxy's army marching on Washington.

A running line of gabfest is not pepper; neither is it ginger—it is 24 carat bunk.

There was a good sized sprinkling of the fair sex at the festivities. And Miladi is among the closest of the close students of the game.

McCollier of the Eagles plays a close steady game at first and upon several occasions Sunday his long stretch gave him the verdict by inches.

Now that the Eagles have secured a home, a series with the White Sox for Jacksonville supremacy would be a miniature bonanza for the two local teams.

Some few fans complained that McManus was a professional ringer. Ringer or no, he was accepted as Franklin's pitcher, and Franklin carried off the coonskin.

For Sale at a Sacrifice—A choice lot of leather and papier mache megaphones, purchased Saturday to be used in Sunday's game. Phone, call or write—A Disappointed Bunch of Bugs.

Wheeler, so his admirers claim, was not in the best of shape and was slightly ill. He twirled a fairly good game, and never was in serious trouble. In all justice, however, his handicap was in James McManus.

Stewart, left fielder of the Franklin team, executed a Ping Bodie while at bat in the eighth. The local backstop captured his goat, and in a second he aeroplaned and slammed his war club on the ground ala the only Ping.

Some of the city dads turned out, and a few were glimmed with tabs of paper intently scribbling. The scribbling may have been plans for new water works or sewerage extension; but one brave fan whispered, "box score."

Loneragan of Franklin is a grand big fellow—he is almost as husky as a box car. He uses his head at all times, is handy with the stick, and on the runways he is a deerfoot. This youngster, with good care, is destined to climb.

Dick Wheeler, who guarded the far corner for the Eagles, was the one shining star of the two teams. He has a grand whip and when shooting them across to first the ball does not vary three inches in its flight, which is always about four feet from mother earth.

NEW BERLIN WINS FROM WHITE SOX.

Poorly Played Contest Ends by Score of 8 to 4.

The White Sox lost a poorly played contest Sunday to New Berlin by a score of 8 to 4. Nelson started on the mound for the Sox by weakened in the fourth round and gave way to Simms. "Buck" pitched good ball, allowing but three hits and striking out twelve men.

The Sox could do nothing with Hassler's benders and the Berlinites made five runs in the second inning, when they clinched the game. The White Sox have an open date Aug. 10 and they are trying to get a contest with the Eagles.

CONCORD WINS FROM LUKEMAN BROTHERS.

In the game at Concord Sunday afternoon between a team of that place and Lukeman Brothers of this city, the former won by a score of 14 to 13. Lemons was hard to find by the L. B. team when hits were needed. The following was the score:

CHAMBER OF COMMERCE JACKSONVILLE ILLINOIS NOTES & REPORTS

WILL YOU BE ONE TO WITH THE JACKSONVILLE BOOSTERS TO MURRAYVILLE PICNIC AND WHITE HALL FREE CARNIVAL AND FISH FRY ON WEDNESDAY, JULY 30?

Again has the Chamber of Commerce arranged to go on the war-path to scatter Chautauqua literature to the south. A large party of automobiles will leave the Chamber of Commerce office at 10 a. m. sharp in the morning making a short stop at Woodson and taking dinner at the big picnic at Murrayville. From Murrayville they will keep to a south-erly direction until White Hall is reached. This place is celebrating with a free carnival, fish fry and horse races. From White Hall the party will return by the way of Winchester and Lynnville, making short stops at all the above mentioned places. The primary object of the excursion is to further thoroughly and systematically advertise Morgan County's Great Educational Festival. W. W. Wharton will be a member of the party and he will interestingly explain all the fine points of our program. Frank Heintz will accompany the Jacksonville crowd as chairman of the Rural Affairs Depart-

CALIFORNIA TENNIS STARS REMAIN UNDEFEATED

John Strachan and Clarence Griffen Fight Way Through Two Rounds In Western Championship.

Chicago, July 28.—Playing for the first time on grass courts California's new tennis stars, John Strachan and Clarence Griffen fought their way through two rounds each in the western championship to day at Onwentsia. Neither experienced serious opposition, though Strachan found more capable opponents than did his fellow townsman.

In Jerry Webber of the Wanderers club of Chicago, Strachan almost caught a tarlar, but after the opening games of each set he was returned victor 6-2 and 6-3. Webber made a gallant fight in the second set and won the first three games, but playing the aggressive style characteristic of coast players Strachan came back, won the next three games, all "love" and then took the next three.

Griffen defeated D. F. Wiley of Evanston in the opening match with practically no opposition on the part of the local man. The scores were 6-2, 6-0.

Half an hour later Griffen's business style had disposed of W. U. Knight of Minneapolis nearly as easily, 6-1, 6-1.

Kent MacNeal of Berwin was Strachan's second victim and in the second set he gave the San Franciscan a hard battle, only to lose. The scores were 6-1, 6-3.

Walter Hayes, local favorite for championship honors, found an easy opponent in William J. Hoppe of Chicago, winning 6-2, 6-0.

Harry Waldner, a veteran, won without much exertion from F. W. Copeland of Winnetka.

WORLD'S TENNIS SUPREMACY BELONGS TO UNITED STATES

Maurice E. McLoughlin Defeats the English Veteran Charles P. Dixon In Deciding Game.

Wimbledon, England, July 28.—World supremacy in lawn tennis rests with the United States. The struggle for the Dwight E. Davis trophy emblematic of the International Tennis championship, ended to day on the Wimbledon courts in a victory for the United States when Maurice E. McLoughlin the American singles champion defeated Charles P. Dixon, the veteran English player at 8-6, 6-3, 6-2.

The rules of the cup contest called for the best three in five matches and the Americans previously having taken a match each in the singles and the doubles were the winners of the coveted trophy when Dixon went down before McLoughlin, the score by matches then being United States 3, Great Britain, 1.

The Britishers had gained their only point when J. S. Parke the Irish player, won a singles match from McLoughlin last week.

The official scores of the tournament, however, will read: United States 3, Great Britain, 2, for, after the McLoughlin-Dixon match to day K. Norris Williams of Philadelphia played his scheduled match with Parke, the Irishman winning after five sets 6-2, 5-7, 5-7, 6-4, 6-2.

The Davis cup now goes back to the land of its donor after the most interesting fight for its possession since it first left home in 1903.

The victory of the Americans to day will be at the memorable because it was the first time in the history of the cup that seven countries—The United States, Canada, Australia, South Africa, Germany, France and Belgium—competed in elimination matches for the honor of challenging the British holders.

LATHROP REPORTS FOR DUTY

MRS. A. M. CALHOUN GIVEN
HAPPY BIRTHDAY SURPRISE

Gathering Held Sunday at Family Residence Near Franklin—List of Children and Guests Present.

A large gathering of relatives and friends took place Sunday at the home of Mr. and Mrs. A. M. Calhoun who reside two miles south of Franklin, the occasion being a surprise for Mrs. Calhoun on her 59th birthday. Mrs. Calhoun was born near Scottville, a daughter of Tillman Turner. After her marriage to Mr. Calhoun on December 3, 1871 the family resided in the Hart Prairie neighborhood; for over 40 years they have resided in Morgan county and for thirty years have lived at their present home. There is no family more highly esteemed in that community than the Calhoun family and it is needless to say that the wishes extended by the sixty two guests present, were sincere and heartily given.

A sumptuous dinner was served at the noon hour and a feature of the meal was that the entire family, which consists of the parents, five sons, five daughters, five grandsons and five grand-daughters were seated at one large table. After the dinner a photographer from Waverly took several pictures, one of Mrs. Calhoun, also of she and her husband, then one of the entire family and one of the entire assemblage. During the afternoon, which was spent in a delightful social manner, ice cream and cake were served.

There are eleven children in the Calhoun family and all are living except Lydia who died in infancy, about twenty five years ago. The following is a list of the children present and their families:

Mr. and Mrs. George Dodsworth and daughter Sarah of Franklin.

T. J. Calhoun of Franklin.

Mr. and Mrs. George Calhoun and daughter Miss Lora of Franklin.

Mrs. H. A. Haynes and daughter Helen of Kansas.

Mr. and Mrs. A. F. Brown and family of Shipman, Ill.

Mr. and Mrs. A. W. Calhoun of Kansas.

T. A. Calhoun and son of Kansas.

Mr. and Mrs. E. L. Dikis of Palmyra.

Newton Calhoun of Iowa.

Miss Lora Calhoun, residing at home.

Among the guests present were "Uncle" John Seymour, James Seymour, Mr. and Mrs. W. L. Clayton, H. C. Lankford and daughters, Bernice and Leona; Mr. and Mrs. N. R. Gottshall, Mrs. Eliza Luttrell; Mr. and Mrs. Thomas Foster; Mr. and Mrs. Jesse Brewer and daughters, Virgil, Dorothy and Ruth; Mr. and Mrs. George Haynes and son Howard and daughter; Mr. and Mrs. Ollie Cox and son Raymond; Leslie Dodsworth, Mrs. Mary Seymour, all of Franklin and vicinity; Mr. and Mrs. Burley Jones of Litchberry; Mr. and Mrs. E. O. Turner and Mr. and Mrs. Frank Vandaver of White Hall.

Mrs. Calhoun received a number of most acceptable presents and the departing guests carried home with them many pleasant memories of the occasion.

ILLINOI LODGE WILL INITIATE TEN CANDIDATES.

Illinoi lodge No. 4, will confer the initiatory degree tonight on a class of ten candidates. The boosters committee of Illinoi is bending every effort to increase the membership to 600. The organization is one of the largest lodges in the state with a present membership of 539 and with the class for tonight and several applications on the table to be balloted upon, and with the enthusiasm displayed it will not be long until the six hundred mark is reached. Illinoi lodge has a splendid degree staff and no little of the success of securing a large membership is due to the proficiency of the team in properly exemplifying the lessons taught by Odd-Fellowship.

ENTERTAINED AT DINNER.

Mrs. Luther Wiley entertained the following at dinner at her home in Alexander Sunday: Mr. and Mrs. Fred B. Six and daughter Harriet, Mr. and Mrs. William Alabaugh, Mrs. Margaret Caldwell, Miss Katherine Kaiser and George Colwell of Alexander and Mr. and Mrs. George Snyder, Jr., of Franklin.

Of course you like fast driving—go to the matinee Thursday.

MRS. W. W. HOLLIDAY PASSES
AWAY MONDAY AFTERNOON

Had Been Seriously Ill for Past Two Weeks—Funeral Services to Be Held Wednesday.

Mrs. Emma Francis Holliday, wife of W. W. Holliday, general manager of the Illinois Telephone company passed away at 12:30 o'clock Monday afternoon at her home 507 North Church street. She had been in failing health for some time and for the past two weeks her condition had been considered quite serious.

Mrs. Holliday was a daughter of G. H. and Jane Baker and was born in the Bethel neighborhood October 14, 1855. She was a student at the Jacksonville Female Academy, May 8, 1882, she was married to Willard W. Holliday and with the exception of a few years in Missouri she spent her entire life in Morgan county. For the past nine years she had been a resident of Jacksonville, the family moving here from Chapin, where they had lived for many years. Mr. and Mrs. Holliday were the parents of one child who died in infancy and she was also preceded in death by her parents and seven brothers and sisters, she being the last of the family. One of her sisters, Miss Jeanette Baker who had made her home with Mr. and Mrs. Holliday for nearly thirty years, died in this city in 1912 and she was a sister of the late Frank M. Baker of Atchison, Kan. She is survived by her husband and a niece, Miss Melba Anderson who has made her home with her aunt since she was 3 years of age.

Mrs. Holliday was a member of the Christian church and was admired by a wide circle of friends.

Funeral services will be held Wednesday afternoon at 2 o'clock in charge of Rev. W. H. Cannon, assisted by Rev. Clyde Darsie, pastor of Central Christian church. Interment will be made in Diamond Grove cemetery.

BUYS PETRIE FARM.

Through a deal consummated Monday, Lloyd Lukeman purchased a farm of 80 acres, located two and one half miles east of the city, from John V. Petrie. The consideration was well over \$200 per acre. Mr. Lukeman formerly resided in Jacksonville, when he was in the employ of the Illinois Steel Bridge company.

Six years ago he was married to Miss Josephine Preston and until four years ago he was employed by T. J. Lukeman. At that time Mr. Lukeman rented a farm from Arthur French near Chapin and by hard work and good management saved enough to purchase the farm Monday. Possession will be given March 1, 1914, when Mr. and Mrs. Lukeman will move to their new home. The deal was made through T. H. Backthorpe.

DEATHS AT HOSPITAL.

Mrs. Phoebe Kreider died Sunday morning at 1:30 o'clock at the Jacksonville State hospital, at the age of 61 years. She had been a patient at the hospital for a number of years. Burial was made in Diamond Grove cemetery Monday morning at 11 o'clock. She formerly lived in Quincy.

Michael O'Brien passed away Saturday morning at 11:20 o'clock at the Jacksonville State hospital at the age of 78 years. He was a former resident of Medora. The remains will be held until relatives can be heard from. Both bodies were in charge of Undertaker John H. O'Donnell.

DEPARTMENT MAKES RUN.

The fire department made a quick run to the south annex of the Jacksonville State hospital at 4 o'clock Monday to find that the blaze had been checked before the arrival of the engine. The fire which was caused by burning rags in the kitchen was put out by the hospital attendants. All that remained when the department arrived on the scene were clouds of smoke. The department was accompanied to the grounds by a number of citizens on bicycles, and in buggies and automobiles.

NEW BUTTER MAKER.

S. P. Johannes, has recently accepted a position as butter maker at the Jacksonville Creamery company. Mr. Johannes is a Dane and has had experience in his home town in Denmark. He was also one year in Carroll, Iowa and for the past six years has had charge of the butter making in the Sangamon Valley Springfield Creamery.

GREAT TANK FELL.

Workmen are busy at the Crawford planing mill clearing away the wreckage caused Saturday by the fall of the great tank from the top of the building to the ground below. The tank, which holds 100,000 gallons of water, came down with great force, tearing machinery with it and flooding the floors below. Considerable damage was done also to the building but affairs will be so handled by the management that there will be little delay of work. Fortunately no one was near when the tank supports gave way.

♦♦DON'TS on Rheumatism♦♦

Rheumatism is stubborn as a mule. Hangs on like a leech, wears you out, worries you with pain, drains your vitality, depresses your mind and health. DON'T give up to it. DON'T let it hang on. DON'T overlook Foley Kidney Pills. They are a natural enemy to the conditions that cause Rheumatism, which they will promptly remove. City Drug Store, J. A. Obermeyer.

DR. G. O. WEBSTER IN

AYERS BANK BUILDING

Murrayville Physician Who Moves to City Will Occupy Suite of Room on Third Floor.

The latest addition to the list of tenants in the Ayers National bank building is Dr. G. O. Webster, who recently removed from Murrayville to Jacksonville. Dr. Webster has a suite on the third floor including rooms 307-8-9.

The first room is suitably furnished for the comfort of waiting patients. Adjoining this are the consultation, examination and drug rooms. In every way the arrangements are such as to make the suite especially convenient for a physician. Dr. Webster has been located at Murrayville for a number of years and has built up an extensive practice there, but he felt that there were opportunities for a still wider work here in Jacksonville. After looking over the local situation he decided that his own convenience and that of his patients would be best served by locating his offices in the new building.

RESIGNS PASTORATE.

Rev. L. H. Williams Severs Connection With Union Baptist Church. At the close of the services at the Union Baptist church Sunday morning, Rev. L. H. Williams offered his resignation to take effect Aug. 24.

Rev. Mr. Williams has served the Union church for about three years, coming here from a three years' pastorate in Springfield, Ill. It is stated that the church here has grown from half time preaching to full time work and under his ministry about sixty persons have been received into its membership. His church work has been of a very effective type.

Rev. Mr. and Mrs. Williams expect to spend the latter part of August at Winona lake, after which Rev. Mr. Williams will supply the College Avenue church of Alton, Ill. He has several different permanent charges in view.

Taking Big Chances.

It is too great a risk to depend upon neighbors or sending for medicine in case of a sudden attack of bowel complaint. In almost every neighborhood someone has died from cholera morbus that could have easily been saved had the proper medicine been at hand. Then think of the suffering that must be endured until medicine can be obtained. The safe way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea remedy. It has never been known to fail, and has undoubtedly saved the lives of many people. Buy it now. It only costs a quarter. For sale by all dealers.—Adv.

MORTUARY

Bolar.

J. R. Brown, who resides near Sinclair, received a telegram Monday morning announcing the death of his aunt, Mrs. William Bolar at Bethany, Mo. No particulars of the death were given. The funeral will be held at Bethany this afternoon.

Lazenby.

Funeral services for Frank Lazenby were held at the Lynnville Christian church Monday afternoon at 2 o'clock in the presence of a large gathering of relatives and friends. The services were conducted in an impressive manner by Rev. G. W. Burnett. Music was furnished by a quartet composed of Mrs. C. H. Gibbs, Miss Pearl Coultas, Henry Gordon and W. W. Gillham and the flowers, which were many and beautiful, were cared for by Miss Mildred Gibbs, Miss Irene Parks, Miss Lella Harney and Miss Gertrude Gordon.

Interment was made in Liberty cemetery and the bearers were Edward Gordon, Claude Jewsbury, James Heaton, Simon Blackburn, Lee Stansforth and G. Ranson.

Quinlan.

Relatives in the city received word Monday afternoon announcing the death of Mrs. Anna Quinlan, who passed away at the home of her son, Matthew Quinlan, in Quincy, Monday afternoon at 4 o'clock. P. J. Quinlan of this city, a son of the deceased, received a telegram Monday morning announcing the serious illness of his mother and left on the afternoon train, but she passed away before he reached her bedside. Mrs. Quinlan was born in Ireland and had lived in Quincy for five years, residing in Pittsfield for a number of years prior to that time. She is survived by two sons, Matthew Quinlan and P. J. Quinlan of this city; fourteen grandchildren and eight great grandchildren. Her husband preceded her in death a number of years ago. Mrs. Quinlan was a devout member of the Catholic church.

Mrs. P. J. Quinlan, sons Walter, Lawrence and William of this city and Mr. and Mrs. C. B. Little of Springfield expect to go to Quincy this morning to attend the funeral which will probably be held Wednesday morning.

LARGEST FUNERAL EVER HELD IN WHITE HALL

Hundreds Gathered at Home of Mr. and Mrs. H. C. Morrow to Pay Tribute of Respect to Their Only Son Russell Morrow.

One of the largest funerals ever held at White Hall was that of Russell Morrow, son of Mr. and Mrs. H. C. Morrow who was accidentally killed in St. Louis. The services were conducted Sunday afternoon at 2:30 o'clock in charge of Dr. John Rugh, pastor of the White Hall Presbyterian church, at the Morrow home there were hundreds who could not gain admittance to the house. Music was furnished by the Duncan Sisters who sang "He Will Hold Me Fast", "Abide With Me" and "Lead Kindly Light", the first selection being a favorite of the deceased.

The pastor took for a text the 16th Psalm, and from it gave words of comfort to the bereaved family and friends. He spoke of the untimely death of Russell and of the exceptional bright future he had, being a young man of exemplary habits, talents and of unbounded enthusiasm in everything he undertook. He was a member of the Junior class of the White Hall public schools and they attended the funeral in a body.

There was a wealth of beautiful flowers of every kind and design, from friends far and near. These were tenderly cared for by Misses Ethel Viock, Meda King, Mary Ellis, Kate Ellis, Blanche Waltrip, and Gladys Andre.

The remains were laid to rest in the White Hall cemetery and the bearers were all close friends of Russell's as follows: Harry Selby and Kenyon Morrow, White Hall; Merrill Bates, Roodhouse; Larson Arnold, Bradford, Ohio; Hiram Hal-lady, St. Louis; Byron Carpenter, Jacksonville.

Among those from out of the city to attend the funeral were C. M. Rich of Keokuk, Ia., T. C. Bardwell, St. Louis; G. W. Parks, Chicago; E. W. Curtis, Bloomington; W. T. Crowell, Peoria; Mr. and Mrs. G. B. Andre and daughter Gladys, W. T. Beough, Mr. and Mrs. John Reynolds and son Lloyd, Mrs. S. E. Carpenter, son and daughter Byron and Joyce, of Jacksonville. There were also many friends present from Jerseyville, Carrollton, Greenfield, Winchester and other nearby places.

COLUMBIA

FIFTY At \$5.00 a month DOLLARS

Come in and let us place "The Herd Girl's Dream" on the Favorite and let you hear it. There's a tone test for you and a treat too.

The first and only musical instrument of its type at \$50 is so dearly true to anybody who has even looked through the talking machine catalogs that we could not wish anything better than to have you make comparison with any other \$50 machine. Comparison in form, size, convenience, and particularly in tone.

Judge it by its tone, and then satisfy yourself that it is a perfect piece of furniture as well; that its joiner work is honest and its finish right. An instrument of music that can be operated by any member of the family whenever and wherever you please; that is controlled in tone volume by the thumb and finger opening or closing the tone-control shutters; that play Columbia double disc records and any other disc records, interchangeably; that holds at your command all the music of the great orchestras and bands, all the songs that live the stages of all the theatres and the voices of all the world's great opera artists who have ever made disc records. If you don't see the Favorite in the window, step inside and ask to see and also hear this machine. You are perfectly welcome to come at any time, for we want the people of Jacksonville and community to know of this wonderful tone-quality of the Columbia Favorite Gramophone.
